

**Amy and Jack have no idea
what it takes to bring them
their morning news.**

We do.

Schur understands that your equipment requirements cover every step of the post-press process, from deliveries to the dock. And we provide all of it. Upgrades of any size. Operating efficiency and dependability. Deadlines. We cover it all.

Amy and Jack don't know how committed you are to their paper. But you know how important their paper is to them. We do too.
